The diagram illustrates a relationship between two operators and a Tag object. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'Catch::Tag::operator<' and the bottom box contains 'Catch::Tag::operator=='. On the right, there is a gray rectangular box with a black border containing the text 'Catch::Tag::Tag'. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the gray box.
