

utec::neural_network
::BCELoss::loss_gradient

```
graph LR; A["utec::neural_network  
::BCELoss::loss_gradient"] --> B["Tensor::size"]
```

A diagram illustrating a gradient flow. On the left, a gray rectangular box contains the text "utec::neural_network" and "::BCELoss::loss_gradient" stacked vertically. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "Tensor::size".

Tensor::size
