

Catch::Generators::  
ChunkGenerator::ChunkGenerator

```
graph LR; A[Catch::Generators::  
ChunkGenerator::ChunkGenerator] --> B[Catch::Generators::  
Detail::throw_generator_exception];
```

A diagram showing a call from the `ChunkGenerator::ChunkGenerator` constructor to the `throw_generator_exception` function. The call is represented by a blue arrow pointing from the left box to the right box.
